**Product Information**
**Description**

For an elegant gifting solution, consider this wine gift set, featuring your choice of wine with a deep-etched bottle, hand-painted with a 1-color fill (additional colors available for an extra charge). Accompanied by two custom-etched stemless wine glasses, this set is presented in a slide-top rustic wood box, laser-engraved with your message or company logo. Nestled in excelsior wood shavings, it makes an impressive holiday or thank you gift for clients and friends. Options for upgrading to name brand wine, French champagne, wax-dipped bottles, or custom die-cut hang tags or card inserts are available. Ideal for executive gifts, this set combines sophistication and thoughtful customization.
